Fotografia Georreferenciada

A georeferenced photograph of a road segment. The image shows a paved road with a white dashed line in the center, bordered by green grass and trees. A map overlay on the right side of the image shows the location of the photograph on a map of Brazil, with a green pin indicating the specific location. The map overlay also displays the coordinates of the location: -20,44712680 -52,83942637. The photograph is taken from a perspective looking down the road, showing the road's curvature and the surrounding landscape.

Fotografia Georreferenciada

Two georeferenced photographs of the road segment. The top photograph shows a two-lane asphalt road with yellow double lines, flanked by grassy fields and power lines. The bottom photograph shows a similar road view from a slightly different angle. Each photograph is accompanied by a small map inset in the bottom right corner, showing the road's location within a larger geographic context. The map insets include a scale bar and a 'Ponto' (Point) label.
